### Director's Notes

Mr. Williams discussed construction plans according to the new marching season. Band Hall will be off limits during the month of August so he needs ideas for how to get students along with equipment to the field in a timely manner. He wants to feed students at every game. The band fee will be \$150 this year. Please get that paid before the season begins. We had a fantastic June Camp! There are about 170 enrolled in the band! He reminded the board contest information and to check the calendar for important dates. Go ahead and make hotel reservations in San Antonio for the state contest.

Next General Board Meeting will be August 3 at 7:00 pm at BHS.
